

Hello parents/guardians!

My name is Lea Govey, and I am happy to be working as your child's Speech-Language Pathologist (SLP) this school year. This is my 5th year working as an SLP for the Medford Area Public School District.

I graduated with my Bachelor of Science degree in 2015 and graduated from the University of Wisconsin-Eau Claire with my Master of Science degree in Communication-Sciences and Disorders in May 2018. I am very passionate about working with children and am excited to start a new year with your child!

I currently live in Medford with my husband and two children. We have two dogs named Winston and Crosby. I enjoy spending time with my family, traveling, listening to podcasts, reading books and running.

I am happy to answer any questions you might have. Feel free to email or call at any time! My office is located at the Medford Area Elementary School (MAES), tucked in the library. My office number is 309E.

Sincerely,

Lea Govey, M.S., CCC-SLP
