

Hello Families!

My name is Ryanne Larson and I am excited to be your child's Speech-Language Pathologist (SLP) this school year. This is my fourth year working for the Medford Area Public School District. I am looking forward to working with your child and inviting all of the new and familiar faces into my therapy room this year.

I graduated with my Bachelor of Science degree from the University of Wisconsin - River Falls (UWRF) in 2017. I also received my Master of Science degree from UWRF in Communication Sciences and Disorders in May 2020.

I live in Abbotsford with my husband and dog, Flora. I enjoy spending time with family and friends at the lake, traveling, walking/hiking, and playing volleyball.

I am happy to answer any questions you might have. Feel free to email or call at any time! My office, number 216, is located at the Medford Area Elementary School (MAES).

Sincerely,

Ryanne Larson, M.S., CCC-SLP
